Setting up a COMMBUYS Account

COMMBUYS is the Commonwealth’s electronic Market Center supporting online commerce between government purchasers and businesses. If you do not have one already, contact the COMMBUYS Help Desk to set up a COMMBUYS buyer account for your organization: (888)-627-8283 or COMMBUYS@mass.gov.

When contacting a vendor on statewide contract, always reference “ITT72 Category 1” to receive contract pricing.

How To Purchase From The Contract

For larger quantities we recommended buyers solicit quotes by following below step.

• Solicit quotes and select and purchase quoted item in COMMBUYS

  This COMMBUYS functionality provides a mechanism to easily obtain quotes, as specified by the Contract. The buyer would create a Release Requisition, and then convert it to a Bid. After approval by the buyer approving officer, the bid is then sent to selected vendors to request quotes. Buyers must include “ITT72 RFQ” when entering information in the Description field. To request quotes please use MBPO # PO-21-1080-OSD03-SRC01-20722 which is solicitation enabled. When requesting quote from multiple vendors, the buyer should only request RFQ from the vendors who are awarded the category see Vendor List and Information section for list of awarded categories.

  For a description of how to complete this purchase in COMMBUYS, visit the Job Aids for Buyers webpage, and select:
  ➢ The COMMBUYS Purchase Orders section, and choose the How to Request Quotes from Vendors on Statewide Contracts job aid or one of the quick reference guides.

• Directly purchase fixed price items through COMMBUYS

  This contract allows buyers to find and quickly purchase specific products/services with pricing within COMMBUYS. In other words, it allows you to create a Release Requisition in COMMBUYS, submit the requisition for approval, and
send the vendor a Release Purchase Order.

For a description of how to complete this purchase in COMMBUYS, visit the Job Aids for Buyers webpage and select:

- The COMMBUYS Requisitions section, and choose the How to Make a Statewide Contract Purchase in COMMBUYS (Contract Purchase) job aid.

- **Document items in COMMBUYS that have already been purchased**
  This type of contract allows buyers to document a contract purchase in COMMBUYS that already has taken place through a Request for Payment Authorization (RPA) Release Requisition. It also allows MMARS users to easily keep track of spend. NOTE: MMARS and COMMBUYS do not interface – payment request and invoice should be reported in both MMARS and COMMBUYS separately.

  For a description of how to complete this purchase in COMMBUYS, visit the Job Aids for Buyers webpage, and select:
  - The COMMBUYS Requisitions section, and choose the How to Record a Contract Purchase Previously Made job aid.

**Obtaining Quotes**

Contract users should always reference ITT72 when contacting vendors to ensure they are receiving contract pricing. Quotes, not including construction services, should be awarded based on best value.

For a full description of how to complete a quote in COMMBUYS visit the Job Aids for Buyers webpage, and select:

- The COMMBUYS Purchase Orders section, and choose the How to Request Quotes from Vendors on Statewide Contracts job aid.

**Quotes Including Construction Services**

Please note specific requirements that apply for quoting construction services, depending upon the scope of your bid:

- **Where the construction services are less than $10,000**: Select a vendor based on sound business practices, consistent with your entity’s procurement policies and procedures.

- **For construction services valued from $10,000-$50,000**: Must solicit a minimum of three quotes and receive two written responses; award to lowest responsible bidder.

**Prevailing Wage Requirements**

The buyer has a legal obligation to request a prevailing wage schedule from the Department of Labor Standards (DLS) at www.mass.gov/dols. Questions regarding the Prevailing Wage Law may be answered by accessing the DLS website or by calling the DLS Prevailing Wage Program at (617) 626-6953.

If prevailing wage is required, make sure to include this information in your quotes or bids so vendors know to include prevailing wage.
